

FIRST2FOUR : RULES

Subtraction - with Negative Numbers (Value of : 2 dice - 1 dice)

play in pairs/groups or as a class
use dice with dots if possible (numbers are also OK)

- take turns to roll dice
- 1 person rolls 2 dice and 1 person rolls 1 dice
- subtract the value of the 1 dice from the sum of the 2 dice
- find that number on your chart
- use a brick to cover that number (only cover one number at a time)
- keep doing this until you've used all **Six Bricks**
- after using all **Six Bricks** you have to strategically **move** a brick each time you roll the dice - to cover the new value
- first to four in a row or square is the **winner**
- must shout out "**FOUR**"

	4	1	-2	-4	3	1
	10	3	6	-1	8	0
	7	-3	8	2	6	9
	5	11	2	7	4	5
-5	1					
-10	-3					
-7	-3					
-2	-11	-7	-6	4	-0
