

FACILITATOR AGREEMENT and CODE OF CONDUCT Care for Education (CFE)

1. Purpose of Facilitation

As a facilitator, you are entrusted with delivering face-to-face hands-on, engaging experiences that promote learning through play. The methodology emphasizes:

- Self-discovery through action and exploration.
- Facilitated sessions that are interactive and experiential rather than lecture-based.
- A commitment to joyful, inclusive learning environments.

2. Scope of Facilitation

As an accredited facilitator, you are authorised to:

- Facilitate Level 1 and Level 2 sessions with adult participants only.
- Facilitators who have successfully conducted Level 1 and 2 training and demonstrated competence and commitment for at least 2 years may apply to CFE to design and facilitate Extension courses (Previously known as Level 3). Approval is based on performance, feedback, and readiness to uphold programme standards.
- Work with professionals such as educators, therapists, caregivers, and social workers.
- Support participants in using SIX BRICKS tools in their own environments, but not to train other adults as facilitators.

3. Fidelity to the Model

You agree to:

- Follow the official CFE Model Guides for Level 1 and Level 2 facilitation.
- Make only minor, context-specific adaptations while maintaining the core activities and principles.
- Ensure consistency across sessions to support progression into Extension courses and beyond.

4. Format of Sessions

- In-person facilitation is preferred.
- Live online sessions are permitted but only through an application process of approval by CFE.
- Pre-recorded sessions are not allowed under any circumstances.

5. Record Keeping

You agree to keep accurate records of each facilitation, including:

- Participant attendance register
- Consent for photographs or videos
- Participant reflections or feedback
- Your own written reflection (what worked well, what could be improved)
- Based on your facilitator status, your contact information to be added to our world map and list of active facilitators, you can always opt-out by sending us an email.

6. Ethics and Conduct

You agree to:

- Always maintain high ethical standards.

7. Use of Materials and Attribution

- All Six Bricks materials, images, and training resources are shared by CFE under a **Creative Commons Attribution–NonCommercial–NoDerivatives (CC BY-NC-ND)** license. You're welcome to use and share them freely for non-commercial purposes, as long as you credit CFE. Please do not sell or republish these materials.
- Always credit CFE when using these open-source materials. Open source does not mean "free of all restrictions." CFE asks for proper attribution, non-commercial use, and that derivative works are shared similarly.
- You are encouraged to include CFE's contact or website details when referencing the organisation.

8. Accessibility and Fees

- Ensure your trainings are accessible to all. While you may charge a reasonable facilitation fee, it should never exclude participants or cause unfair business tension.
- SIX BRICKS / DUPLO PLAY & LEARN was developed as an inclusive outreach programme, and this ethos must be upheld.

9. Collaboration

- You are encouraged to share your experiences, ideas, and resources with other facilitators around the world.
- Peer learning and collaboration are fundamental to the SIX BRICKS approach.

10. Certificates

- You may issue your own attendance certificates for Level 1 and Level 2 sessions.
- These certificates may confirm that participants have completed the experience and may apply it in their work.

- Participants are not permitted to facilitate other adults unless they are formally accredited as facilitators.

11. Translations and Contributions

- Collaborate with CFE before adapting or translating materials and share your versions to grow our shared global library.

12. Branding and Permissions

- The LEGO Foundation logo must **never** be used.
- The CFE endorsed logo may be used on attendance certificates only with prior written consent (contact: abigail@carefored.co.za or jana@carefored.co.za).

To remain in good standing as a CFE-accredited facilitator, you agree to:

- Facilitate at least four Level 1 or 2 sessions per year, with a minimum of four adult participants per session.
- Submit an annual record of training every October to CFE through the database link [HERE](#)
